▲ ----- REMARKS -----

1. Heavy traffic due to colored leaf is expected every year on Irohazaka Winding Road from Oct.10 to Nov.5. Therefore, Kegon Falls and Lake Chuzenji will not be visited during this period. In such cases, one of the following will be visited instead of Kegon Falls: Taiyuuin Mausoleum at Rinno-ji Temple, Futarasan Shrine, Kirifuri Falls, or Tamozawa Imperial Villa.
2. The alternative plan outlined in Remark #1 above may be used even outside of the designated period due to road conditions or other reasons. No refunds will be issued as a result of location charges.
3. Please note that due to major repair and restoration work, three monkeys carving and part or all of Yomeimon Gate will not be visible at Toshogu Shrine.
4. An earphone guide will be provided to each participant at Nikko Toshogu Shrine. However, if there are less than 15 participants earphone guides may not be used. A fee of JPY 10,000 may be incurred if an earphone guide is lost or damaged by a participant.
