KUALA GANDAH ELEPHANT SANCTUARY (SIC)

TOUR DESCRIPTION
(Tour Duration: Approximately 8 hours)
The journey takes approximately 1 hour 45 minutes. Our first stop is the Aborigine Settlement. Kuala Gandah Elephant conservation was established in 1989 by the Department of Wildlife and National Parks. The center is a base for the Elephant Relocation Team, which began the elephant translocation programme in 1974. The only one of its kind in Malaysia, the team is dedicated to locating, subduing and then translocating problem elephants from areas where their habitats are constantly being encroached by plantations and to other suitable habitats throughout the Peninsular such as Taman Negara. Over the past 25 years the center has helped prevent the further declined of the elephant population by relocating more than 300 wild elephants.

Note: Black out date 1st & 2nd day Hari Raya Aidilfitri
Elephant’s activities will not operate if the water level above the danger
