Kiulu River Rafting (Grade II-III) Adventure

TOUR DESCRIPTION

The tour has two main aims—giving participants a positive experience unlike any other and allowing them to really admire and appreciate the magnificent scenery. It is highly recommended for first timers who require a good ‘warming up’ session before moving on to more adventurous rivers. It is also great for those who already have some knowledge of rafting but wish to go on a milder escapade instead. Besides banana rapid and wall rapid, the tour also offers body rafting.

This is the longest white water rafting course in Sabah, Borneo. The entire journey takes approximately 1 hour 30 minutes to 2 hours as it depends on the water level. When it is high the rafting distance stretches 15 kilometres but at an average water level, it only reaches 9km.

Your day begins at 8.30 am. The journey from your hotel in Kota Kinabalu to the Borneo Wavehunters’ base camp at Tamparuli town takes about 1 hour and 15 minutes. Light refreshments will be served before transferring to the starting point at Pukak/Kiulu town. The tour group will gear up at 10.30 am. There will be a 20 minutes briefing session by the professional river guides or raft masters. The rafting excursion is expected to end at 12.50 pm. You will be able to have a bath before enjoying a lavish BBQ buffet lunch. Board the coach at 2 pm to be transferred back to your hotel. The arrival time is around 3 pm to 3.30 pm.
